

Mission Statement

Our goal at Laundry 360 is to give our Customers the Best possible service! We concern ourselves with the needs of our customers and value their business. We strive at providing the cleanest, safest, adequate place to handle all their Laundry needs.

From our Fluff & Fold drop off service always smelling fresh, looking its best and being Precisely folded as if your clothes came from the store the very first time you bought it. We focus on Quality and know that quality is what matters.

To our Washers and Dryers making sure we have state of art Machinery that provide options to cater the needs of the care of our Customers Laundry. We want you to have these options to wash as directed and preserve your laundry properly through the care of our Machines.

We pride ourselves at having amazing results and making sure we are being the best at what we do! Our friendly staff and myself value our Customers business because only you make having this business be the best it can be worth all the hard work and effort. We accomplish our Mission of success by applying these principles of Integrity, Value, & Trust. We ask our customers to Trust in us having your best Interest at Heart each and every time you visit us.
